Easter Seals

The WellPoint Foundation helped Easter Seals introduce the Life Gate treadmill program to New Hampshire. Life Gate is a pediatric treadmill that helps increase the mobility of children with disabilities. In New Hampshire, Easter Seals provides direct services to 20,000-plus people and touches an additional 31,000 through disability awareness, information and referrals.

Highlights

Giving 2010

Foundation for Healthy Living A WellPoint Foundation grant helps the Foundation for Healthy Living support the Healthy Eating Active Living (HEAL) program. HEAL's goal is to improve the wellness of New Hampshire residents by reducing obesity.

University System of New Hampshire The WellPoint Foundation supports efforts by the University System of New Hampshire's Institute for Health Policy and Practice to reduce cardiac risk factors. It conducts research and provides technical resources to state healthcare agencies.

Granite State Fit Kids WellPoint is a proud sponsor of Granite State Fit Kids. The program, carried out in schools and communities statewide, engages children and their families in regular physical activity while teaching them how to avoid health risks and encouraging them to embrace a lifelong healthy respect for mind, body and spirit.

Associate Volunteerism 2010/2011

Associate Giving Campaign New Hampshire associates pledged more than \$70,300 to the annual campaign, which is matched 50 percent by the WellPoint Foundation. Funds supported the United Way, Community Health Charities of America, the American Cancer Society, the Red Cross, Feeding America and St. Jude's Children's Research Hospital.

Community Service Day Nearly 60 associate volunteers registered for projects across New Hampshire, including Court Appointed Special Advocates of New Hampshire and Camp Allen.

Healthy Helpings Food Drive Our associates collected more than 270 pounds of food for New Hampshire food banks
